EXPO GOLF VILLAS

Emaar Properties | Ready

 Emaar South

EXPO GOLF VILLAS is the sixth part of the successful project of the main developer of the United Arab Emirates Emaar Properties. The developer is developing the Emaar South area in Dubai. Luxury real estate in Dubai in a gated community is located near a large green park and golf field. Buying a property in EXPO GOLF VILLAS allows you to live a comfortable lifestyle in the lap of nature while being close to the popular area of Expo 2020 Dubai. The project includes luxury townhouses with 3 or 4 bedrooms and it's family oriented.

The buildings have simple forms and a classical design. They are designed in neutral and light colors. The main idea of the developer is unity with nature, which is successfully implemented thanks to the harmony of natural colors used in the decoration. Each villa has balconies and terraces for relaxation.

AZIZI MINA

Azizi Developments | Ready

 The Palm Jumeirah

Azizi Mina is a new residential complex located in Dubai, on the artificial island of Palm Jumeirah. The 10-storey building resembles a luxury cruise liner in appearance, which is emphasized by its streamlined architectural form, smooth horizontal rows of balconies, snow-white color and a large number of panoramic windows.

The building was designed by Azizi Developments, a renowned residential and commercial property developer in Dubai. The exterior of the complex is in harmony with its surroundings, blending in perfectly with the local landscape. The panoramic glazing of the apartments not only increases the amount of natural light, but also opens up a beautiful view of the surrounding area.
