SAMANA
Manhattan

A World of Opulence

SAMANA Manhattan is an architectural masterpiece, showcasing sleek lines, contemporary elements, and a harmonious blend of glass and metal. The building's modern design stands as a testament to sophistication and elegance, setting it apart as an iconic landmark in Jumeirah Village Circle.

Redefined Comfort

Nestled in the heart of Jumeirah Village Circle, SAMANA Manhattan offers residents a strategic location that effortlessly blends tranquility with convenience. Situated within easy reach of major highways and key destinations, this prime address ensures effortless connectivity to Dubai's thriving business hubs, world-class entertainment venues, and a host of retail and dining options.

A man and a woman are posed in a modern, dimly lit interior. The woman is wearing a long, sleeveless, floor-length gown covered in intricate beading and sequins, with a deep V-neckline. Her hair is styled in a high bun. The man is wearing a classic black tuxedo with a white shirt and a black bow tie. He stands behind her, his hands resting on her waist. The background features a large window or glass partition that reflects the interior, creating a layered effect. The lighting is dramatic, highlighting the textures of the clothing and the couple's features.

Embrace The Exquisite Charm

Live the tranquil lifestyle as you escape the bustling city and find peace in your abode with your loved ones. A place that lights up your days and makes your life a blissful paradise.

An aerial architectural rendering of a modern high-rise residential building. The building features a white facade with prominent blue and yellow balconies. At the base, there is a large swimming pool with a circular hot tub, surrounded by lounge chairs and palm trees. The building is situated on a landscaped plot with greenery and a paved road. In the background, other modern buildings and a road with cars are visible.
